VOLUME LXI. FIRST IN SERVICE TO READERS ANTIOCH, ILLINOIS, THURSDAY, DECEMBER 19, 1946 FIRST IN RESULTS TO ADVERTISERS NUMBER 20

Christmas Carols Fill Air As Late Shoppers Scurry

While Christmas carols filled the air from the public address system furnished by the Veterans of Foreign Wars, shoppers scurried from store to store in Antioch this week doing their Christmas shopping.

The Antioch stores have a fine stock this year in comparison to previous years and there is still a good selection for those who have put off their shopping to the last few days. The postoffice felt the full load of Christmas mail this week as gifts commended to come from and leave for distant points and the Christmas cards were placed into the mail.

The treat at the school house Friday and the appearance of Santa at the Antioch 5 and 10 cent store are expected to interest the younger generation and to prime the boys and girls for Christmas eve and morning. Christmas services in the churches are receiving their final preparation, and there will be a few group parties.

Veterans Urged to Apply for Terminal Leave Pay Now to Get Quick Service

All enlisted personnel of the armed forces who have not applied for their terminal leave pay were urged today to make application without further delay.

The call came from the Illinois Veterans Commission which reported that only approximately 60 percent of those eligible for terminal leave pay have made application. The deadline for making application for this pay is Sept. 1, 1947.

Speedy payment now can be expected, the Commission said, since the first big wave of applications have been cleared. The Army and Navy now have a big staff set up to handle terminal leave payments.

Any veteran who wants assistance in making application for his terminal leave may secure the aid of Service Officer Arthur F. Reutlinger at American Legion Home, Waukegan, Ill.

Legion Cagers To Play Lake Geneva

Antioch American Legion basketball lightweight team won 30 to 28 and heavy weights lost 32-38 with Grayslake Monday evening. Wednesday evening games played with Wilmet, lightweight team won 30-11 and heavy weight team 31-15.

There will be a game played at the Antioch Township High school gymnasium with Lake Geneva Monday evening, Dec. 23. Harry Quilly acting assistant manager, will be in charge.

St. Peter's Church to Commemorate the 25th Anniversary of Ordination of Father Flaherty

Three Important Dates On Calendar for Vets In Next Three Months

Three important dates for veterans of World War II will occur during December, January and February. Homer G. Bradney, administrator of the Illinois Veterans Commission announced today.

The dates concern deadlines for naturalization, reinstatement of insurance and social security benefits for survivors of veterans.

Allen veterans have until Dec. 31 to become American citizens easily under the Second War Powers Act. They should apply at once to any federal or circuit court.

Veterans who let their GI term insurance lapse may reinstate on or before Feb. 1, 1947, without a physical examination, by signing a statement that their health is as good now as when their policies lapsed and by paying premiums for only two months.

Beneficiaries of veterans who died in service or later other than in "line of duty" have until Feb. 10, 1947 to apply for special social security status by special act of Congress which would "look back" on Aug. 10 thus guaranteeing their dependents a measure of protection where service connected death benefits are not payable.

Two Service Officer Louis E. Williams, of American Legion Home, Waukegan, Ill., is available to assist veterans and dependents in applying for these benefits.

News Will Be Published Early Christmas Week

In order that the Holiday Greetings in the News may reach the subscribers before Christmas the Antioch News for next week will be published on Monday. All advertisers and correspondents are urged to get their copy in by Saturday if possible.

William Weber Heads Lake Villa Men's Club; Plans Christmas Party

William Weber was made president of the Lake Villa Community Men's club at its regular meeting, Dec. 10. Seventy-five members and guests partook of a baked ham dinner served by the W. S. C. S. of the Lake Villa Community church. A rising vote of thanks was given the ladies for the excellent support and service given the club in preparing dinners throughout the year.

Weber's staff of officers comprises Lester Hamlin, vice-president; William Walker, second vice-president; Charles W. Von Oeyen, secretary; Kenneth Hart, treasurer; and Clayton Hamlin, sergeant-at-arms.

New directors are William Marks, Paul Williamson, Harry Pavel, Ray Pierson and Richard Lynn. Directors retained are John Henning, Rudy Gunnarson, Adam Dick, Calvin P. Midgley, Arthur Bennett, Dan S. Boyer, and Paul Sheldon.

Retiring president, Paul Sheldon, gave a resume of the achievements of the club during his administration, and commended various officers for the advice and support given him.

President Weber announced the annual Christmas party on Dec. 21 for all children of Lake Villa Township. The party will be at 8 p. m. at the Lake Villa grade school gymnasium.

The directors of the club held a meeting Wednesday evening.

The club is planning a safety meeting to be held January 14, at which time a speaker from the National Safety Council will give a talk.

Antioch Men Purchase Blind Manufacturing Co.

Ed Gresens who was formerly in the automobile business in Antioch and more recently operated as a design engineer, and Harold Wilson, Antioch, former Chicago upholstering shop proprietor, have joined in purchasing the controlling interest of a steel venetian blind manufacturing concern in Chicago.

They will service the lakes region with complete repair service for any make of blinds as well as furnish steel custom built venetian blinds.

The firm will be known as The Best Venetian Blind Co., and it is desire of Gresens and Wilson to move the manufacturing business to Antioch if conditions in the future are favorable.

SO SAY WE ALL!

Parking Lot is Chosen as Site for New Village Hall After Conference of Fire Department and Board Groups

Christmas Seal Sale Far from Goal as Campaign Nears End

The 1946 Christmas Seal Sale moved toward the mid-point in its \$40,000 goal last week when contributions for the work of the Tuberculosis Association totaled \$18,200.26.

In reporting the current total, Miss Orpha L. White, executive secretary of the Lake County Tuberculosis Association, expressed appreciation of the many letters of commendation which have come into the association headquarters with contributions.

The Association is financed exclusively through the annual Seal Sale. The major portion of the funds raised is kept in Lake County to wage the fight against the dread disease. With the services of the new mobile x-ray unit and accompanying tests, experts are able to detect the unmistakable symptoms of the disease before an advanced stage is reached. Early diagnosis and early treatment are the greatest weapons with which tuberculosis can be fought, it is pointed out.

In spite of the fact that the concentrated battle against the "white plague" has been going on for close to 40 years, the disease still takes a greater toll annually among young people between the ages of 15 and 35 than any other disease, the association reports. The toll decreases annually through the efforts of the association. As the population grows, the fight must likewise be strengthened. Mrs. Mabel McCullough, Seal Sale chairman, declares, if the number of victims is to be reduced.

Throughout the world, Christmas Seal Sales similar to the nationwide drive in American are conducted each year. An interesting collection of Christmas Seals from other countries as well as the United States is displayed in the Public Service Company window, Washington Street, Waukegan. This is a valuable collection belonging to Dr. Charles K. Petter, Medical Director of the Lake County Tuberculosis Sanatorium; and also, a member of the Executive Committee of the Lake County Tuberculosis Association. Dr. Petter due to his deep interest in the outcome of the current Christmas Seal Sale has loaned his collection to the Association for public display hoping that it would stimulate the sales of Christmas Seals.

The association announces that due to the Holiday Season there will be no chest clinics at the Sanatorium after the one on Monday, Dec. 23rd until Friday, Jan. 3rd, 1947.

Because the next regular meeting day of the Royal Neighbors would fall on Christmas eve the time of the meeting has been changed to Friday, Dec. 20, according to Elsie Horton.

Mr. and Mrs. S. J. Handley left Antioch recently for western New York, where they will spend a few months with their daughter, Mrs. H. Killstrom, and family.

Building To Be On Parking Lot Facing North on West Side of Grounds

Antioch's new village hall and fire station will be situated at the corner of Orchard st., and the new street now under preparation at the west side of the city parking lot.

Decision to place the new building on the west side of the parking lot at the pump house on Orchard st., was made Monday in a conference of a committee from the fire department with the village board and Leonard J. Latz, Waukegan, consulting architect.

The advantage of more room and less difficulty with water mains was given as the reason for the choice, President George B. Bartlett said. While room might have been found at the pump house location, it would have been necessary to reduce the side of the street from 80 to 60 feet, which was undesirable, and then there would have been the noise of the pumps to contend with.

The new two-story building of stone and brick will face on Orchard street. It will house the village offices and fire station on the first floor, and the auditorium and firemen's quarters on the second floor.

President Bartlett said he could not tell when the building would be started owing to governmental regulations on materials and construction. The architect already has drawn the plans and they have been approved.

William Schultz Dies At Home in Salem, Wis.; Funeral 2 P. M. Friday

William Schultz, aged 61, of Salem, Wis., died at 12:30 a. m. Wednesday Dec. 18, at his home after a lingering illness.

The funeral service will be at 2 p. m. Friday at the Strang funeral home and burial will be in Mound cemetery. The Rev. Dale Jennings of the Salem Methodist church will officiate.

Born in Germany, May 9, 1885, William Schultz was the son of the late William and Bertha Schultz. He was two years of age when he was brought to the United States by his parents and has lived in Wheatland and Salem townships since. His occupation was that of carpenter contractor.

Mr. Schultz is survived by his wife, Lillian, four sons, Emerald, Alfred, and William, all of Salem township, and Ledger of Tallahassee, Fla., and two daughters, Mrs. Lillian Drosen and Margaret Schultz of Salem.

Also surviving are four brothers, August, of Silver Lake; Albert, of Sauk City, Wis.; Herman and Frank, of Salem; and one sister, Mrs. Elsie Hillman, of Kenosha. Nine grandchildren also mourn his death.

Krueger Chosen Head of Lake County Board of Real Estate Men

Harry Krueger was elected president of the Waukegan-Lake County Real Estate board Monday night at a meeting at the Red Pepper restaurant on Green Bay Rd.

Other officers chosen were Fred Morton, Waukegan, vice president; William J. Murphy, Round Lake, secretary-treasurer. Directors for 1947 are Louis Behm, Grayslake; Dan McGaughey, Gages Lake; and William Schwartz, Elton Wick, and A. A. Lindskog, Waukegan.

Loren Sexauer of Antioch and Francis J. Berry of Libertyville were made active members of the organization.

President Krueger was directed by the board to contact realtors who have the multiple listing plan in operation to determine how well it operates and how it may be adopted to fit local needs.

The annual party for the installation of officers is set for Jan. 20, but the place and program have not yet been determined.

Sequoits Tie for Lead in N. West Conference By Beating Wauconda Hi

Play Palatine Friday Night And Then Go to Tournay at Wauconda

Northwest Conference			
	W	L	Pts.
Ela	3	0	135
Antioch	3	0	136
Barrington	3	1	139
Palatine	2	2	142
Northbrook	2	2	146
Wauconda	1	3	124
Bensenville	1	3	139
Grant	0	4	93

Still undefeated as the result of their decisive victory over Wauconda Friday night, Antioch High is preparing for the game Friday night at Palatine and the tournament at Wauconda during the holidays.

The Sequoits are now tied with Ela Township for top position in the Northwest conference, both having won three games and lost none. Ela has allowed its opponents fewer scores, however, and only on that basis those computing the team standings give them the edge.

Although the game with Ela is not until Jan. 8, Antioch has its eye on that event because that will decide the league leadership.

The Varsity went to work early in defeating Wauconda by the score of 61 to 45. At the third quarter the score stood 55 to 37 in favor of the Sequoits.

Jones was high scorer for the home team with 21 points while Kirtney was high point man for the visitors with 21 points. Coach Krizan used his substitutes in the last quarter.

The Antioch JV's were not so fortunate, however, going down to defeat before the Wauconda JV's 17 to 37. Fink of the visitors and Schotau, the latter with 19 points, contributed heavily to the score of the visitors. Antioch's scoring was well distributed.

The playing of the Northwest conference is considerably improved this year. Palatine's defeat of Arlington in the Northeast conference would indicate that the two conferences are more nearly on a par this year.

The tournament at Wauconda will be on the nights of Dec. 27 and 28. Four teams, Grayslake, Wauconda, Northbrook and Antioch will participate and it is probable that the Sequoits will play either Wauconda or Northbrook the first night. The winners of the two games the first night will play the second night and the losers will play for the consolation record.

Sets Fire to His Tavern Lily Lake Man Fined \$50

James Stearns, assistant state fire marshal, prosecuted a case of arson in McHenry county last week. Harmon Koch, owner of the Lily-moor tavern at Lily Lake was fined \$50 after he was found guilty of setting fire to his tavern. Koch, who was said to have been on the water wagon for a year, fell off with a broke, quarreled with his wife and threw up the furniture, throwing it into the fire place.

The furniture made such a big fire that the flames caught the building. McHenry firemen were called to extinguish them.

Koch was arrested immediately and taken to Woodstock for trial.

Holiday Vacation for Grade School Extended to Jan. 6

High School Concert Tonight and Holly Dance on Friday Night

Opening of the Antioch Grade school after the Christmas holiday will be on Monday, Jan. 6 instead of Thursday, Jan. 2 as first announced. The delay in opening is to give the teachers more time for their trips home to distant points and to make it unnecessary for them to return on New Year's Day, according to Principal Richard Whitacre.

Otherwise the Christmas plans are proceeding as originally scheduled. The school will have room programs tomorrow afternoon and treats will be given to all of the children by the Parent-Teacher association aided by the local merchants.

The high school will have its Christmas concert of choral and instrumental music tonight at 8 o'clock in the high school auditorium. The chorus will be under the direction of Hans Von Holwede.

The Holly Dance Friday night in the school auditorium under the sponsorship of the Pep club is expected to be an enjoyable occasion for the young people.

William Keulman Hurt When Struck by Truck In Chicago Thursday

William Keulman, 75, proprietor of the Main street jewelry store bearing his name for more than 40 years, is in St. Luke's hospital in Chicago suffering from a fractured vertebra as the result of being struck by a truck in that city at 4:30 p. m. Thursday, Dec. 12.

Mr. Keulman was walking at State and Madison sts., when his hat was blown off into the street. He stepped into the street to pick it up and was struck by a truck of the Roly-Poly Co., and knocked down.

He was rushed to the hospital and x-rays show a bone in the lower part of the spinal column injured. His physicians say that if the swelling is reduced he can be placed in a cast and will be able then to return home to Antioch. He is still black and blue from the bruises he received, according to his son.

Lake Marie Resident Dies; Buried in Wilmette, Ill.

Theodore Venn, oldest of the Venn family of Venn's Island on Lake Marie, and one of the founders of the Venn-Severin Machine Co., manufacturers of diesel engines since 1903, died Wednesday, Dec. 11, in Lutheran Deaconess hospital, Chicago.

The funeral service was held Saturday, Dec. 14, the cortege leaving his late residence at 121 Maple Ave., Wilmette, Ill., at 10:30 for rites at St. Francis Xavier church. Interment was at St. Boniface.

He is survived by two daughters, Francis Adele, and Mrs. Mary Venn Clarke and a son, Charles. He was a brother of Charles and Henry Venn and of Mrs. Louise Juhnke.

Fumes from Coal Drive Pupils from Classes In New School Bldg.

Classes in the new building of the grade school were dismissed for the day Wednesday when fumes from smoldering coal in the basement made untenable.

Charles Anderson, janitor, found fumes in the room when he arrived in the morning and he and Principal Richard Whitacre aired the rooms, but couldn't find the source of the gas. Later after the children arrived the rooms began filling again with the fumes and then the fumes were discovered coming from the coal bin.

It is believed that the coal was piled too close to a smoke pipe that passes through the bin room and that the coal ignited from spontaneous combustion. It had not burst into flame, however.

The Antioch fire department was called and the men dug into the coal pile and thoroughly wet it to prevent any further trouble.

Classes were resumed today. They were the kindergarten, first, and second, and seventh and eighth grades.

Retailers of Tomorrow

Addressing a Retailer-Veterans Conference, Gordon K. Creighton of the National Retail Dry Goods Association said: "Retailing's future will be built by the merchants who are able to bring the new abundance most effectively to an eager public, and among these will be many of the unknowns of today, just as enterprise and initiative have made many of the unknowns of twenty-five years ago into the outstanding retailers of 1946."

"Chief among these unknowns are you veterans who would already have had four or five years progress in retailing to your credit, if it had not been your business to win the war first. But history is on your side. Many of the successful merchants of tomorrow are in your ranks and these veterans will display the same dogged determination to win in business as they won in war. These are the men who will faithfully follow their commission as purchasing agents of the public."

The veteran who starts in retailing today does so at a time when the industry is putting forth maximum efforts to serve the public. The country is faced with a long list of critical shortages, and retailers are trying to make limited supplies go as far as possible. With the drastic change in price control, retailing in general and chain store systems in particular are doing yeoman service in protecting the consumers' pocketbooks by holding unavoidable price increases to the minimum consistent with rising costs.

Retailers are aiding veterans through organized conferences in which experts discuss and instruct the ex-soldier in retailing as a career. This serves the veteran by showing him the mistakes he must avoid if he is to succeed—and it serves the public by assuring a "new crop" of retailers who will be well trained in their complicated craft.

Plenty of Oil

There is a saying that "more oil has been found in the laboratory than by the drill." This simply means that scientific developments in oil conservation and utilization have enormously expanded our present and potential supply.

Every so often, some pessimist "authoritatively" forecasts that within a few years this country's oil reserves will be exhausted. All through the oil industry's 87 years of colorful history such predictions have been proven groundless. Additions to proved reserves have almost always been greater than current production. Further, proved reserves have uniformly turned out to be greater than original estimates indicated. A good example is the great East Texas field, discovered in 1930. It was expected to produce a grand total of 2,000,000,000 barrels. It has already produced more than that—and its remaining reserves are currently estimated at about 3,000,000,000 barrels.

At this time, our proved reserves amount to more than 20,000,000,000 barrels of oil and up to 200 trillion cubic feet of natural gas. However, only about half of the 1,500,000 square miles that geologists consider potential oil territory have been explored. There

is plenty of room for new discoveries—and, in addition, reserves are constantly being upped by deeper drilling in old areas to open deeper sands.

Research is the backbone of the oil industry—both in producing and conserving crude oils, and in perfecting better fuels and lubricants for thousands of purposes. There's no danger of a shortage of supply here.

* * *

We Are All Investors

In a recent editorial, the Saturday Evening Post discussed the "war against saving," caused by the steady decline in return on invested capital, and the enormous increase in taxes on earnings. In conclusion, it said: "If the war against saving is carried much further, our users of capital will be driven to government lending agencies, with the inevitable evils that arise when investment is made, not to produce a profit, but to augment political power. . . . For the 'Little People' the prospect would be much as the London Sunday Times lately stated it: 'The worker will face a single vast monopolist employer—the State—whom he can neither emulate nor fight.'"

"Most of these evils can be avoided if the so-called Common Man will consult his own interest instead of letting demagogues and executive secretaries of leftist committees define it for him. If he did that, he might even champion the right of the investor to his just share of the pie, if only on the ground that, when you come down to earth, we are all investors."

Government domination of industry, like government ownership of industry, is the sure and inevitable road to Statism. That is why we must keep private enterprise alive—and to keep it alive we must allow it adequate earnings on the people's savings it represents.

* * *

Meaningless Hair-Splitting

A good deal of meaningless hair-splitting is going on concerning the proposed Wagner-Murray-Dingell public health bill. Some of its advocates seem hurt when critics say that the measure amounts to socialized medicine, and claim that nothing of the kind is intended.

It is true that the bill would not go whole hog in the direction of socialization, by having the government establish a monopoly on hospitals, clinics and doctors. It is equally true that the bill would regiment medicine—and that is always the first step toward eventually socialization. Once the doctor becomes dependent on the government for part or all of his practice and his livelihood, the beginning of the end would be in sight for free, private medicine.

Further, the fact that the bill makes government-administered health insurance compulsory instead of voluntary indicates the way the wind blows. One hundred million or more Americans would be forced to accept and pay for this insurance whether they wanted it or not. It would be deducted from each paycheck, precisely as are social security taxes, and the annual cost would run between \$37.50 and \$40 per capita.

Again, the measure would reduce and in many instances eliminate the patient's freedom of choice in selecting a physician. That is always true of schemes to make the practice of medicine in whole or in part a function of the state.

The great objections to the bill are that they would give an enormously costly bureaucracy stringent powers over the practice of medicine, that political favoritism would in great measure determine a doctor's earnings and success, and that the people would be compelled to pay for a state doctor when they might prefer to pay a private doctor. These are facts and hair-splitting over words won't change them.

Will Meet During Holidays
Antioch firemen transacted routine matters at their regular meeting last evening and decided that because the next meeting night will fall on Christmas Eve they will not meet until during the holidays. After the meeting last night they were guests of Mrs. Grace Blumh at the Blumh tavern at a venison dinner.

Save Juice
Avoid loss of juice in preparing meat, poultry and fish. Never soak such food in water.

Save Vegetable Juice
Cook vegetables in little water and do not throw that water down the sink, put it in the soup pot.

High in Potassium
Compared to other farm seeds and grain, soybeans contain a relatively high percentage of potassium.

Antioch F. F. A. Attend Chicago International

A student group of Vocational Agriculture members from the Antioch Township High school spent Thursday of last week in a tour through the Swift and Company Packing Plant and attending the International Livestock and Grain show.

The trip was made by cars to Skokie and by electric line via subway from there on.

Those attending the International were Joe Kirby, Carlyle Harris, George Miller, George Gossell, Noel Elfering, John Conrad, Wesley Bock, Erich Faust, Robert Bock, Lefroy Horton, Carl Geng, Jack Heick, Robert McCann, Gordon Wells, Jr., Logan Lundgren, Benno Freund, Donald Schulz, Gordon Wells, Sr., and C. L. Kutil, chapter advisor.

L. A. Huebsch, well known hybrid corn and seed grain producer of Mundelein, Ill., was awarded Reserve Championship on a display of seed barley at the International Grain and Hay Show at Chicago last week.

The barley shown was a sample of Kindred or L. barley, a new variety which has proven its worth in Lake County.

Lily Lake Tavern

Owner Taken Into Custody After Fire

Harmon Koch, owner of the Lily Lake Tavern at Lily Lake, was taken into custody last night after a fire broke out in his tavern. Sheriff Fred Bau stated today that Assistant State Fire Marshall Stearns is expected to file charges of arson against Koch today. It is alleged he tried to burn the tavern down.

McHenry firemen were called to put out the fire which had made pretty good headway in the tavern. Later Koch was arrested by Deputy Sheriff Harold Hobbs of McHenry and placed in the McHenry jail. He was turned over to Sheriff Bau today.

Sheriff Bau stated fire had gotten into the walls and ceiling of the tavern.

Girl Scout Troop Now Active at Lake Villa; Legion to Give Flag

The Community Men's club at Lake Villa recently voted to sponsor the newly organized Lake Villa Girl

Scout troop which is under the leadership of Mrs. Herman Meinersmann, Jr., and Mr. and Mrs. Ray Pierson.

The troop meets every Wednesday evening from 6:30 to 8:30 at the village hall, and is open to girls from 10 to 15 years of age in the entire township.

Girl scouting is nationally organized for the building of character and citizenship in young girls, and to

give them opportunities to participate with other girls in a wide range of activity.

Leaders are asking that parents urge their daughters to join. Information about the troop may be obtained by calling Mrs. Meinersmann Lake Villa 2781.

The American Legion post 743 of Antioch will present an American flag to the troop at a later date.

**Worth its wait
in Golden Moments**

THE first big moment comes, of course, when you step out of your door, and there's your very own Buick, all ready and waiting.

The next one comes when you roll down the street in this handsome creation—and practically feel the eyes of the passers-by following.

You get another lift the first time you meet a hill, and the voice of your Fireball straight-eight engine drops from baritone to bass as it meets the challenge—and trumps the grade down into easy levelness.

Then some night you'll find yourself alone on a quiet moonlit country road—and the whisper of your engine, the soft tread of your coil-sprung wheels, your gentle, cradled, easy stride, will fill your soul with a peace you wouldn't trade for worlds.

The simple truth is that it's not

only an automobile you wait for when you wait for a Buick—it's an endless series of sweet satisfactions.

It's not just a matter of size and room and Fireball power and all-coil springing, as any Buick owner will tell you—it's the wonderful way all these add up to make a constant flow of golden moments.

You'd like those moments to start coming soon. So would the whole, hard-hitting crew that's waging

relentless war against delays and shortages to produce Buicks for you—and fast.

But the most important thing—when you think it out—is *what* you get rather than *when* you get it—and what you really want is found nowhere else but in Buick.

Why not settle your mind on that and be done with it? You can place your order now for future delivery, with or without a car to turn in—though we like to get trade-ins for our used-car buyers.

What Other Car Has So Much That Clicks For Forty-Six!

SMARTNESS of car-length Airfoil fenders and bolt-on rear wheel shields. **POWER** of Buick Fireball valve-in-head straight-eight engine. **OIL SAVINGS** from non-scuffing Accurite cylinder bores. **FLASHING ACTION** of Filteweight pistons. **STEADINESS** from full-length torque-tube drive. **GLIDING RIDE** from all-coil springing. **COMFORT** of roomy body by Fisher. **SURE FOOTING** of Broadrim wheels. **CONTROL** through Perm-Firm steering. **CONVENIENCE** of high-leverage Step-On parking brake. **PROTECTION** of Buick-originated fender-shielding front and rear bumpers.

When better automobiles are built
BUICK
will build them

Local Women Substitute For Absent Entertainer At Woman's Club Meeting

When Mrs. Backus Kruse failed to appear for the program of the Antioch Woman's club at the home of Mrs. C. E. Henning Monday, Mrs. W. C. Petty ably gave a sketch of the mystery play "Three Taps on the Wall."

Mrs. L. V. Madden read the poem, "The Night Before Christmas." Mrs. Hennings, the hostess, was assisted by Mesdames Maud Sabin, W. C. Petty, A. H. Kaufmann, and Hans Von Holwede. Although the women were disappointed in not being able to witness and hear Mrs. Kruse's dramatic program, they were well entertained by those substituting.

Antioch Students Feted At Nielsen's Barbecue In Victory Celebration

Joe and Helen Sterbenz entertained students of the Antioch High school Friday at their barbecue at Nielsen's corners after the basketball game with Wauconda.

Nearly a hundred boys and girls were served a luncheon in buffet style and spent the evening in dancing.

The treat was the result of a promise made by Mr. Sterbenz that if Antioch beat Grant High in the last football game of the season he would have the boys and girls as his guests. Antioch won 27 to 0.

Last year the hosts entertained just members of the football squad but this year they decided to include the whole school. The students reported having a good time.

Wishing Fountain Yields \$55
Pennies, nickels, dimes and larger coins tossed into the "Wishing Fountain" at the 19th Hole during the past season by patrons totaled \$55 and will be donated to the Peacock camp for crippled children.

Oftedahls Entertain Employees, and Guests

Employees of the Froese Sno Co., and their guests were entertained by the proprietors of the company, Mr. and Mrs. John Oftedahls at a Smorgasbord dinner Friday evening at the Pregener resort.

A number of out-of-town guests were present. A social hour followed the dinner, one hundred persons participating.

Employees of the company presented Mr. and Mrs. Oftedahls a gift in keeping with the holiday season. Mrs. Harold Gaston made the presentation.

Home Makers Entertain Mothers With Style Show

The Home Making class of the Antioch Township High school entertained their mothers and guests with a Christmas style review at 7:30 o'clock Tuesday in the library.

Swiss Cow of G. Ylonen Sets Record in Milk Yield

Bess' Girl 69783 a registered Brown Swiss cow owned by George Ylonen, Antioch, Illinois, has recently completed a 305 day lactation record on herd Test of 10707. 2 lbs. milk, 410.68 lbs. fat on twice a day milking according to Fred S. Idice, Secretary of The Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.

This record was made as a 11 yr. old.

The mothers and teachers were presented carnations by the class. Refreshments were served following the style show and the home-economics class rooms were open to the visitors.

Ethel Dixon is the teacher.

A Favorite Gift.

Scout Council Meets Today at Libertyville

The northwest district of the North Shore area of the scout council, will hold a meeting to promote a stronger program of Scouting at 8 p. m. Thursday, Dec. 19, at the Round Lake school. Scout Masters, cub masters, troop and pack committees and assistant leaders will attend the meeting.

This district includes Antioch, Lake Villa, Grayslake, Gages Lake, Round Lake, Ingleside and Fox Lake.

Soap Dishes
Keep soap dishes dry.

Fact and Scripture

We look up at night with awe and wonder at the myriads of stars and planets in the sky. And we read in the good book of how wise men in the east, saw and followed a bright star which led them to Jerusalem and to Bethlehem.

Of all the celebrities this benighted world has known there never was a brighter star. "And she shall bring forth a son, and thou shalt call his name Jesus: for he shall save his people from their sins."

Now all this was done, that it might be fulfilled which was spoken of the Lord by the prophet, saying, Behold, a virgin shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us."

Mat. 1: 21-23

And we join with the wise men and the shepherds of old to worship Him.

Luke 2:10-14
Emanuel Thiele

Washing Walls
Washing down extra dirty walls will be half the work if you use two pots of suds, two cloths — one for the worst film, one for the second going over.

Hang Curtains Carefully
Cloth curtains should never be hung where they can blow over a stove or heater of any kind.

Defoliation Injures Trees
Defoliation of fruit trees by insects may cause severe injury to the trees from sunburn and winter injury.

Painted Woodwork
Waxing painted woodwork will protect the surface from dirt and make it easier to clean.

New Brain-Wave Machine At Northwestern Able To Detect Brain Injury

A new electroencephalograph, or brain-wave machine that detects electrical waves of a millionth of a volt emanating from the brain, was installed today in the psychology laboratories of Northwestern University where it will be used to study human behavior and personality.

The waves, which are stimulated by activity in the brain, are magnified 1,000,000 times by super-sensitive amplifiers and are recorded graphically on a cathode ray oscilloscope, resembling a television screen, and on ink writing and photographic devices.

The primary aim of the research is to discover the relation of the central and autonomic, or involuntary, nervous systems to emotional and other types of behavior. In experiments, brain waves will be picked up by electrodes attached to a person's scalp as the brain activity is stimulated by light, sound, and emotion.

The work will be directed by Donald B. Lindsley, professor of psychology at Northwestern and former director of the Psychological and Neuro-Physiological Laboratory of Bradley Home, Providence, R. I., hospital for children with nervous disorders, where he pioneered in use of the machine in this country.

Machines of this type now are used in veterans' hospitals and medical clinics to aid in diagnosing brain injuries and epilepsy and in locating brain tumors, but much remains to be learned about the basic nature of the electrical activity and its relation to the brain. The Northwestern research is aimed largely at discovering more of such information.

By means of the machine, Dr. Lindsley also plans to follow up his studies of problem children and to study brain injuries in newborn infants.

The individual under study will sit in a semi-soundproof, double-walled room lined with galvanized wire screen to prevent electrical interference from light circuits and other nearby electrical equipment. In visual experiments, the room will be darkened while electrodes are applied over the brain area related to sight and the individual is subjected suddenly to strong light and to light flickers. Brain waves also will be studied as the individual experiences frustration in attempted problem solving.

The electroencephalograph, called an E. E. G., shows that when the individual is relaxed the brain sends out a rhythmic succession of waves at a speed of about ten a second, suggestive of an idling automobile engine. When the brain activity is stimulated by light, sound, or emotion the waves are altered, often by an increase of their speed. Dr. Lindsley stated that the wave pattern varies in different individuals and that brain abnormalities cause unusual patterns.

In studies of infants, Dr. Lindsley found that brain waves in the visual area did not appear until three months, when their frequency was very low. At 10 or 12 years the waves were like those of adults. Disturbances in brain wave rhythms were found in many problem children.

Influenced Students

The Institute of Student Opinion Poll found that among 101,500 high school students 38 per cent answered "The family" when asked about the chief influence on youth's thinking. Newspapers and magazines rated second with 17 per cent; close friends — "the gang" — were third; and radio ranked fourth. Other influences, in their respective order, were: community or student opinion; teachers; the church; movies; and schoolbooks. Teachers received the low vote of 5 per cent.

Flavor Pound Cake

Pound cake is more fragrant and more delicious when a half teaspoon of mace is added to flavor the dough.

Clover Rich in Protein
Most of the clovers contain several times the protein content of the grasses.

Watch Hairsprings
One pound of steel will make 20 miles of the wire used for watch hairsprings.

Food Big Business
Food is big business in the United States. In 1939 the American public spent about 20 billion dollars for food, alcoholic beverages and tobacco. Spendings for the same purposes reached nearly 40 billion dollars in 1944, purchases increasing directly with increases in disposable income.

"Yup! These are the twenty-four old friends I phoned you I was bringing home to dinner, dear. Relieved?" And when you bring home a supply of beer be sure it's the finest—FOX DE LUXE Extra Pale, brewed with Imported Bohemian hops!

LAKE VILLA

(Written for last week)

Lake Villa Grade School
Last Tuesday night, Dec. 3, Lake Villa grade school had a basketball game with Antioch and lost 24-20. The next game will be on Friday with Central of Zion. It will start at 4 p. m. and will be played there.

Every Thursday afternoon at 2 o'clock the school has movies in the gym. Last Thursday afternoon it had movies on tuberculosis. All parents are invited to come each week.

Every Saturday night at 7:30 the school have movies in the gym. Next Saturday it will have "Two Chumps at Oxford" starring Laurel and Hardy.

The Lake Villa Teen Age club has a newly organized Teen Age Basketball team. The team consists of boys under 18 years of age. The team is very desirous of games with other Teen Age groups. Anyone in-

terested please write to David Shrum, Lake Villa, Ill.
Wednesday night is gym night for high and grade school boys and Thursday night is Teen Age fun night for both boys and girls from 7:00 to 9:00 o'clock.

Attending Shut-ins

If you have been asked to stay with a sick person in order to relieve a member of the family, don't feel you must entertain him or her the entire time you are there. Tell him a few things you know will interest him, but by no means keep up a steady conversation. He will ask for more if he wants it.

Cut Army Toll

World War II saw the disease rate in the American army cut to 0.6 per 1,000 and the mortality among wounded to 3.3 per cent, compared to 15.6 per 1,000 and 8.1 per cent for World War I.

Snake Dies Before Sunset

The not-uncommon belief that a snake never dies before sunset is untrue. The sun's position has no bearing on the condition of a decapitated snake. When his head is cut off he is simply a dead snake. Reflex action leaves the nervous system slowly, making it appear that the snake is still alive.

Nitrogen Deficiency

Nitrogen deficiency is aggravated by the fact that nitrogen is lost by leaching in greater amounts than either phosphorus or potash.

LAKE VILLA

The Sunday school of the Community Church will present its Christmas program at the church on Sunday evening, Dec. 22 at 7:30 and the public is invited. You may bring white wrapped gifts to be sent to Lake Bluff Orphanage at this time and they will be delivered at the Orphanage in time for Christmas. Gifts may include toys, clothing, fruit and will add to the enjoyment of many children who would otherwise have little at Christmas.

Mrs. B. J. Hooper was hostess for a miscellaneous shower at her home Sunday afternoon in honor of Mrs. Marilyn Tiede Meyer, a very recent bride. Relatives and friends from Antioch and Lake Villa including the sister of the groom, Mrs. Dorothy Sharp, of Burlington, Wis., numbering twenty or more were present to enjoy the social hour, and Marilyn received many nice gifts for her use when she is able to get an apartment. The Parent Teacher Association held its regular meeting at the school house Monday evening and enjoyed a social hour in form of a Christmas party and presentation of a Christmas play.

The Lake County Canning center was patronized by 52 families of this area and processed 1737 cans of various fruits and vegetables, a total value of \$521.00.

The Lake Villa Community Men's club will sponsor the annual Christ-

mas party for the children of the township at the Lake Villa school gym on Saturday evening, Dec. 21 at 8 o'clock. There will be entertainment and Santa Claus will distribute a gift to each child.

Mr. George Joedicke, of the Public Service Company, has returned to his home from the Kenosha hospital following surgery and is recovering nicely.

The ladies of the Sewing club met with Mrs. Andrew McGlashan last Thursday afternoon. Mrs. McGlashan

is not able to get out so the ladies spent the afternoon with her.

Mrs. Swanson and daughter, Mrs. Ruth Pollard, of Lake Forest, attended the entertainment "Song of Norway" in Chicago last Thursday.

Mrs. Paul Avery, Jr., was a Chicago visitor last Thursday.

The Pinochle club met on Tuesday this week with Mrs. Ireland at Lone Oak Inn for an afternoon of cards, a luncheon and Christmas party.

Mrs. Lottie Barnstable, Mrs. Anna Martin and Mrs. Ollie Tweed were

guests of Mrs. Minerva Hook in Waukegan on Thursday last week to help celebrate her birthday. They were former neighbors when Mrs. Hook lived at Monaville.

ANYTHING TO KEEP IT GOING!

It needn't come to this . . . even though new cars won't be plentiful for some time. Our famous Motor Rejuvenator check-up can keep your old car humming along in great shape. Our specially trained mechanics, using time-saving tools, will give you a real Chrysler-Plymouth engineering job, than which there is none better! Your car will act younger, handle smoother, and be in all-around better shape when the time comes to trade it in.

UNTIL YOUR NEW CAR COMES ALONG
WE'LL KEEP YOUR OLD ONE GOING STRONG

Working is swift. Drive in today and let us:
(1) Tighten manifold studs. (2) Clean and
space spark plugs. (3) Test compression.
(4) Test coil. (5) Test condenser. (6) Adjust
distributor points or replace if necessary.
(7) Inspect and clean distributor cap. (8)
Inspect rotor. (9) Inspect lead wires for
cracks. (10) Inspect primary and secondary
wires and tighten. (11) Inspect ignition
timing. (12) Inspect fuel level, clean carburetor
bowl and blow out fuel line. (13) Test
vacuum and adjust carburetor. (14) Clean
fuel pump and fuel filter. (15) Clean and
adjust air cleaner.

MILLBURN

Plan to attend church services at 11 o'clock Sunday, Dec. 22. Rev. Messersmith will have an appropriate sermon and there will be special music by the choir.

The annual tree and program sponsored by the Sunday school will be in the church basement Monday evening Dec. 23.

Mrs. Messersmith and her Sunday school class of boys and girls of High school age enjoyed a Christmas party at the church Monday evening.

Mr. and Mrs. Frank Edwards were guests at a farewell party for Mr. and Mrs. Ray Edwards, of Waukegan, held at the John Edwards home in Libertyville Wednesday evening. Roy Edwards has retired from the police force in Waukegan and they are moving to Clearwater, Fla., where they will make their home.

Mrs. Peter Tillich spent Thursday and Friday with relatives in Chicago.

Millburn unit of Home Bureau met at the home of Mrs. Robert Murrie at Russell Friday afternoon with 20 members and one guest, Mrs. Ora Davis, of Farnam, Nebr. The major lesson "Sugar Saving Desserts" was given by Mrs. Eric Anderson and Mrs. Gordon Bonner, who gave a demonstration of making Honey Apple Betty and Orange Rolls which were served at refreshment time. Plans were discussed for raising more money to send delegates to Farm and Home Week at Urbana and a committee was appointed to take care this. There was an exchange of gifts among the members from their "Peanut Sisters".

Ralph McGuire made a business trip to Rhineland, Wis., over the weekend.

Mrs. E. H. Edwards, of West Chicago, and son, Marc Edwards, of Forest Park, were callers at the Frank Edwards and Webb Edwards homes Saturday afternoon.

Mr. and Mrs. W. C. Busk, of Glen Ellyn, Ill. were dinner guests at the W. C. Upton home Sunday.

Rev. Messersmith attended a meet-

ing of Congregational ministers at the home of Rev. C. Arthur Jevne at Ivanhoe Monday afternoon.

Mr. and Mrs. Leslie Bonner and Miss Vivien Bonner were guest for supper at the home of Mr. and Mrs. Roy Stiles at Deerfield Sunday evening.

Mr. and Mrs. Ray Hauser and son, of Lake Villa, Mr. and Mrs. Clarence Hauser, of Grayslake, and Mr. and Mrs. Elmer Hauser spent Sunday afternoon at the Frank Hauser home.

Rev. Messersmith showed the picture "The Child of Bethlehem" at the church at 3:30 Sunday afternoon.

The members of the church board and their wives were entertained at the Ralph McGuire home Friday evening.

Mr. and Mrs. Jim Morris and daughter left for Chicago Saturday

morning, after several week's stay at the Webb Edwards home.

Mr. and Mrs. Ed Hoffman and son, George, spent Sunday afternoon at the Ed Leable home at Rosecrans.

Distributing Costs

A survey shows that all the profits of distributing goods from producer to consumer amount to about three cents out of every consumer dollar.

Scrub Window Sills

**40,000
GOOD JOBS
A MONTH**

When somebody says to you, "Good jobs are hard to find"—DON'T YOU BELIEVE IT—if you're a physically and mentally fit young man from 18 to 34 inclusive!

In your new Regular Army, 40,000 good jobs a month are opening up . . . interesting jobs that pay well . . . that offer advancement, career opportunities and training and experience in many useful skills and trades.

New higher Army pay . . . food, clothing, quarters, travel, at no extra cost . . . GI Bill of Rights educational benefits for those who enlist before the official termination of the war and serve at least 90 days . . . and the opportunity for early retirement with a life income . . . add up to a career you can't afford to miss.

A 3-year enlistment permits you to choose any branch of service and overseas theater which still have openings.

Go after one of these good jobs now! You can get all the facts at your nearest U. S. Army Recruiting Station and ENLIST NOW!

NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothes and Medical Care

In Addition to Column One at the Right: 20% Increase for Service Overseas, 50% Increase, up to \$14 Maximum Per Month, if Member of Flying or Glider Crews, \$50 Per Month for Parachutists (Not in Flying-pay Status) While Engaged upon Parachute Duty, \$6 Increase in Pay for Each 3 Years of Service.

Starting Base Pay Per Month	MONTHLY RETIREMENT INCOME AFTER: 20 Years' 30 Years' Service
Master Sergeant	\$165.00 \$107.25 \$185.63
or First Sergeant	135.00 87.75 151.88
Technical Sergeant	115.00 74.75 129.38
Staff Sergeant	100.00 65.00 112.50
Sergeant	90.00 58.50 101.25
Corporal	80.00 52.00 90.00

A GOOD JOB FOR YOU
U. S. Army
CHOOSE THIS
FINE PROFESSION NOW!

Arable Land
The population per square mile of arable land in Japan is 2,430; in Germany, 587; in Italy, 500; in the United States, 102; and in Russia only 68.

Safety Record
Fifty million tons of high explosives for military purposes were handled by the railroads during World War II without the loss of a single life.

Grating Soap
Bar soap may be grated into flakes or chips. Use a food grater or a saw cutter, or make a soap grater by nailing several bottle caps to a board with the sharp edges up.

Treated Seed
Seed treatment to protect seedlings from disease has become so popular that this year a leading mail order house offered only treated seed.

"I'M A MANUFACTURER*
IN NORTHERN ILLINOIS"

"For 60 years this company" has been manufacturing commercial baking machinery in Northern Illinois. The products we make here are known and used in all parts of the world. I believe Northern Illinois is an ideal location for almost any industry. We have fine transportation facilities that give us access to raw materials and make it a simple matter to reach nation-wide and world-wide markets with our products. One of the important reasons I like doing business in Northern Illinois is that many people here are established home owners. Some of our workers have been with us for over 40 years. My family and I think Northern Illinois is a great place to live and a great place to do business."

This manufacturer is typical of many businessmen in Northern Illinois. Not only does this area have good transportation facilities and a good labor relations record, but the people here are progressive and industrious.

This Company, too, is an essential part of Northern Illinois, and has great confidence in its future.

*The theme of this advertisement is similar to one of a series being published in magazines and newspapers throughout the country to point out the many industrial advantages available here.

If you know of any business seeking a new location, please inform us so that in cooperation with other agencies interested in the progress of Northern Illinois, we can furnish complete factual information on the area.

*Name on request

Industries locating in this area have these outstanding advantages:
Railroad Center of the United States • World Airport • Inland Waterways • Geographical Center of U. S. Population • Great Financial Center • The "Great Central Market" • Food Producing and Processing Center • Leader in Iron and Steel Manufacturing • Good Labor Relations Record • 2,500,000 Kilowatts of Power • Tremendous Coal Reserves • Good Government • Good Living • Good Services for Tax Dollars • Send for free booklets containing useful information on these advantages.

For more information, communicate with the

TERRITORIAL INFORMATION DEPARTMENT

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

lishing new plants during
the first 9 months of 1946.

Britons Now Go Abroad**To Buy British Goods**

JERSEY, CHANNEL ISLANDS.—Every week thousands of British holiday-makers are returning home with luxuries manufactured in Britain but not for sale in British stores.

The island merchants, being on England's export list, can secure many items denied the domestic market by the drive to build up foreign exchange.

Thus, in the Channel Islands, British tourists are able to buy goods that were exported from their own country. This abundance, at prices which seem cheap to Englishmen, accounts for supplies of liquor, cigarettes and wearing apparel which many Britons take home with them after the holidays on the islands.

On landing in England they must pay import duties on items exceeding a certain value, except for clothes that are worn.

Canadian Boys Crossing**Border to Join U. S. Army**

DETROIT, MICH. — E. E. Adcock, district immigration director here, said he had ordered a "tightening up" on admission of Canadians to this country, because "more than 100" have crossed the border illegally to join the American army in recent months.

The situation came to light, he said, when 18 Canadians were detained by immigration officers in Toledo, Ohio, as they waited for a train for Cleveland. Adcock said the Canadians apparently sought to take advantage of the benefits of the G.I. bill and believed they could speed up naturalization by army service.

In Toledo, H. L. Gustavson, selective service officer, said that all the youths had signed affidavits to the effect that they had lived 30 days in Lucas county and had Toledo addresses. Gustavson added that the draft boards now have orders to clear all Canadians with immigration officers before registering them.

Church Dedicates Window**In Memory of Gen. Patton**

SAN GABRIEL, CALIF. — A stained glass window and a plaque were dedicated at the Church of Our Saviour to the late Gen. George Patton, who succumbed to injuries in a truck-auto crash near Heidelberg, Germany, last year.

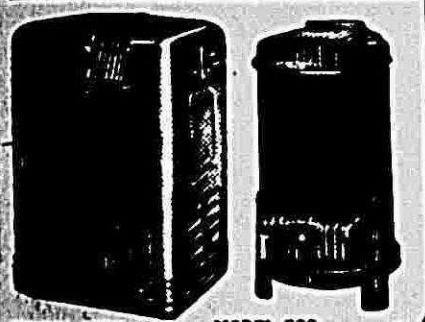

Centered in the pane is St. George astride a white charger, slaying a dragon with a swastika skin. There is the insignia of the U. S. Third army and of West Point. On the border are the sleeve patches of the Third army's 12 divisions.

Russian Army Staging**Maneuvers in Austria**

VIENNA, AUSTRIA. — The Soviet army is staging large-scale maneuvers at Doellersheim, 45 miles northwest of Vienna, with more than 120,000 men—an entire army—participating, a reliable government source said.

The source said 60,000 soldiers were brought in from Hungary last week and that another 60,000 were from an estimated 90,000 stationed regularly in Austria.

**Illinois Still Can Admit
Undergraduate Veterans
to Its State University**

Illinois is one of the few states that can still admit undergraduate veteran students to its state university.

Local service officers of the Illinois Veterans Commission have been advised by Administrator Homer G. Bradney that approximately 1100 additional students can be admitted to freshman and sophomore liberal arts, commerce and engineering classes at the Galesburg Undergraduate Division of the University of Illinois for the second semester, starting in February.

Administrator Bradney points out that the Galesburg division has housing facilities which are so sadly lacking at other schools. IVC Service Officer Louis E. Williams, who has offices at American Legion Home, Waukegan, Illinois has further information covering admission. He is ready to assist all veterans in educational matters as well as all other phases of service work.

V. F. W. Auxiliary to Install
A large attendance is expected this evening at the institution of the Ladies Auxiliary of the Veterans of Foreign Wars. Officers will be installed by Marie Bartlett, vice-department president.
